

UM SERVICE VEHICLE PARKING PERMIT APPLICATION

Return the completed application to Parking and Transportation Services, 1213 Kipke Dr., 2002, or fax to 763-1470. All applications must be approved and submitted by the department head, director, manager, or dean. For assistance, phone 764-3427.

Only those vehicles that provide service as stated in the definition below qualify to receive this permit.

DEFINITION

A service vehicle is any licensed University vehicle, typically a truck or van, whose primary purpose supports maintenance and repair work for University buildings and grounds, OR for daily delivery of commodities, materials, equipment and tools. Only vehicles with such primary purposes are permitted to use UM Service Vehicle Only spaces. Sedans and other types of vehicles used primarily for the transportation of passengers are expressly excluded from the service vehicle definition.
